RS 17:177, Waivers, and Additional Fees

POLICY: Student Fees

Jefferson RISE Charter School does not charge or require any fees for student enrollment.

The Jefferson RISE Board of Directors reviews the school's student fee policy annually. If any student fees are established, the school will publish the applicable fees and maintain a fee waiver process for families experiencing economic hardship.

This policy is reviewed annually by the Jefferson RISE Board of Directors in accordance with Louisiana Revised Statute 17:177.

POLICY: Student Fee Waivers and Financial Hardship

Parents or guardians seeking a waiver of an applicable fee (either as outlined in RS 17:177 or an extracurricular or athletic fee) must complete and submit the school's [Financial Hardship/Fee Waiver Request Form](#). All requests will be reviewed in accordance with the school's established fee waiver procedures.

POLICY: Extracurricular and Athletic Fees

All extracurricular and athletic fees must be approved by Jefferson RISE Charter School before they may be collected. Approved fees will be communicated to students and families through the Athletic/ Auxiliary/ Extracurricular Google Classroom.

All payments must be made directly to the school's front desk. Parents, guardians, and students should not pay any fees that are not on the approved fee list or make payments to coaches or other staff members.

Coaches are strictly prohibited from collecting money from students or families for any reason. This includes small or informal payments, such as cash for water, snacks, equipment, or other team-related expenses, regardless of the amount.

Families should not make any payment unless the fee has been officially approved and communicated by Jefferson RISE. Any questions regarding fees should be directed to the school's front office. Reports of requests for fees that violate this policy should be made directly to ksullivan@jeffersonrise.org.
